Evening subject, "A Heroic Challenge."
Reception of members in the evening. Cordial welcome to all.
DAVID H. COOPER, Minister.

First Christian Church
Bible School 9:30 a. m. It is requested that the attendance be full at the Bible School. An effort is being made to break the record made last Sunday. Young and old are expected.
Communion and Preaching Service at 11:00 a. m. The sermon will be delivered by the evangelist, Rev. D. A. Wickizer.

Christian Endeavor, 6:30 p. m. An effort is being made to have every member of the society present at this time. Young people help us out.

Praise and Preaching Worship 7:30 p. m. Sermon by Rev. D. A. Wickizer, and the service will be a special evangelistic effort.

Following the regular services on Sunday night, the pastor will baptize all candidates for baptism. Those who desire to be baptized will please prepare for same at that time.

The Ladies Aid Society will meet in the church parlors Tuesday afternoon and will have the Presbyterian ladies as guests.

The evangelistic meetings will continue over Sunday, but will probably come to a close Sunday night. Friends, we are anxious for an excellent attendance at all these services. Visitors and strangers in the city are given a special invitation to attend "The Church With a Smile."
J. W. BURNS, Minister.

HIGH SCHOOL NOTES

Eight years ago last Tuesday, Oklahoma gained her statehood. The event was most appropriately cele-

brated in the school at morning chapel. Prof. Richards delivered, in his inimitable manner, a most thrilling address in honor of the occasion.

Friday night at the home of Dr. and Mrs. McNees, the Seniors most delightfully entertained the A. H. S. football team and the visiting team from Shawnee. The home was beautifully decorated and the evening passed most pleasantly with games and dancing. Mrs. McNees and Mrs. McCann, president of the High School Mothers' club, assisted the Seniors in serving a delicious four-course luncheon. The Shawnee boys went home declaring Ardmore the king of entertainers.

The Carter County Teachers' association was in session Friday and Saturday in the High school auditorium. Splendid addresses were heard during the afternoon sessions and at night. Dr. Brooks of Oklahoma University delivered to a large audience, a masterly address on "Modern Educational Needs."

The last game of the season was played at the compress yards Friday afternoon between Shawnee and Ardmore. It was a great game, but we regret to note that Shawnee carried off the laurels, to the tune of 40-0.

A visit to the mathematics department shows the Freshmen class wide awake and making great strides toward ultimate success. Miss Fish is to be congratulated upon the practical manner in which she presents her work, and the enthusiasm she maintains in her department.

The first issue of The Criterion comes off the press this week. It gives promise of being the best issue ever put out by the students of A. H. S.

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store, but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.
